

## How to Submit a Claim to HMA

If you receive medical, dental or vision services from an out-of-network (OON) provider, you may be asked to pay the charges upfront. In some cases, the OON health care professional will file the claim for you; however, they are not required to do so.

If the procedure/service is covered under your Plan's available out-of-network benefits (subject to any applicable deductibles or copay), you may be eligible for reimbursement.
